Active Threat Prevention

We do more than just track stolen assets. Our patented Smart Engine Auto-Lock and remote vehicle immobiliser **actively prevent theft before it happens.**

Advanced Signal Defence

Thieves rely on blocking signals. Titan Secure stays a step ahead with built-in jamming and tamper detection alerts, ensuring your connection remains secure.

Elite Emergency Support

Whether you are an independent driver or managing a team, you are protected by 24/7 call centre support, armed response, and dedicated hijack recovery.

Flexible, Transparent Contracts

Protect your bottom line with straightforward month-to-month payment options, completely avoiding the hidden, compounding annual price hikes of traditional providers.

Take Control with Titan Telematics

Upgrading your security? Add our Lite or Full Telematics to any Secure plan (**from just R59 pm**) to monitor driver behaviour, set geo-fences, and get real-time alerts.
